

Phybridge PhyCare 2-Year Extended Warranty

2-year Phybridge Next Business Day Exchange Extended Warranty for the Phybridge UniPhyer and associated PhyAdaptors

Protect your investment! Upgrade the standard warranty on your Phybridge UniPhyer and associated PhyAdaptors to include an additional two years of coverage.

Please note: Coverage begins on the day you bought the Phybridge UniPhyer and associated PhyAdaptors, and this upgrade must be purchased within 364 days of that date.

You get up to three years of: (Including the 1 year standard manufacturer warranty)

Upgrade of standard warranty to total of three years of service coverage

Free one-way shipping of replacement product(s)

Packaging supplies, one-way shipping costs (prepaid), and shipping instructions

Overnight delivery of replacement product.

Requirements

Coverage begins on Phybridge UniPhyer and associated PhyAdaptors purchase date

Coverage extends service to a total of three years

Plan must be purchased within 364 days of Phybridge UniPhyer and associated PhyAdaptors purchase date

You must activate your registration at www.phybridge.com

Hardware must be in original working condition; service plans do not cover preexisting damage

NOTE: Any 2 or 4 year termed service pack is in addition to the standard 1 year warranty. The 2 year service pack is 2 additional years on top of the standard manufacturer warranty and the 4 year service pack is 4 additional years on top of the 1 year standard warranty.

How does it work?

- Order PhyCare 2-Year Extended Warranty from your Phybridge Distribution Partner.
- Phybridge will email you a copy of your warranty certificate.
